

Rezash Fund Interim Ministry Training Grant Application

The Interim Ministry Working Group of the Heartland Conference/Region is pleased to be able to provide grants to those who seek to attend "Intentional Interim Ministry" (IMN 5-day course) or equivalent training. Grants will not be given for attending "Fundamentals of Transitional Ministry" (IMN 3-day course) or an equivalent basic training.

The expectation is that the person will serve a congregation as an interim minister in the Heartland Conference/Region for at least one year following the training. If the minister accepts an installed position as his or her next call, or does not serve in an interim position, a repayment plan will be established.

Depending on the availability of funds, the grant will provide up to 1/3 of the cost of the training.
