#### **Arriving Saturday Morning**

Material Fee - \$100.00

Meals - \$10.00

#### **High School/College Youth (16 and older)**

\$50.00

## **Here is an example of the tentative event schedule!**

DAY 1 – Cut Day & Team Leader Training (2-3 Hours) @ 5:30pm

The Project Coordinator will arrive approximately 2 hours before the cut to set up.

**The Cut** - You will need 25-30 volunteers. These are typically your more “experienced” volunteers. We will need at least 4 who are comfortable using a miter saw and measuring tape.

**Team Leader Training** – This training will take place after The Cut. Approximately 15 of the cut day volunteers will be tapped as Team Leaders for the Day 2 Build. These Team Leaders should be able to read a simple blueprint, use a hammer and measuring tape, and be able to effectively instruct their team. We will build the most complex wall in the plan during training so that the leaders will get a chance to see everything they will encounter on the build day. This training generally last about an hour.

# HEARTLAND CONFERENCE

UNITED CHURCH OF CHRIST  
N. KY • OH • WV

DAY 2 – The Build (2-1/2 – 4 hours) @ 8:00am

**Worship & Devotion & Refreshments**– The Project Coordinator will give a brief overview of the day and a devotion to start the event. We would love if you would provide some worship music to get the volunteers pumped up! Food, drinks, and access to restroom facilities are also important considerations in running a successful event.

**Build** – You will need between 80-120 people. We invite anyone from age 16 and above to participate. We have jobs for everyone!

Examples of some of the jobs include:

**Building Stations** – up to 15 stations with 5-8 volunteers each

**OSB Station** – If we are attaching OSB to the walls, we will need at least 4 volunteers who can use nail guns.

**Loading Help** – We will need strong backs to help stand the walls and to load the walls onto the truck at the end of the event.

**Hospitality** – Everybody loves goodies when they are working hard.
